Summer heat getting you down? Remember that at Evergreen Park you are welcome to have your own air conditioner in your apartment from June—September. Here are some helpful reminders:

1. There is an extra charge per air conditioner of \$100 a season. This can be paid as \$25 a month from June to September.
2. Please remember the charge is \$100 regardless of when the air conditioner is put in or how often it is used.
3. All upstairs air conditioners must be installed by our maintenance crew. Please put in a WO to have one installed.
4. If you have any questions or concerns about your own installation, please put in a WO for maintenance to have a look.
5. All air conditioners must be removed from windows by the end of October. If you require assistance, please place a WO with maintenance.

Remember: Box fans and window fans can be used without any extra charge!

Trash wheelie carrying an extra funk this summer? Try this helpful and easy cleaning solution: 1/4 ratio of bleach and water in a spray bottle. Spray the inside of your trash wheelie and wipe down.

Remember to always keep chemicals out of the reach of children and animals!
