December 14, 2020

Hello Everyone:

Effective December 11, 2020 the Village of Potsdam Housing Authority has a brand-new Website. Within the site includes information regarding Evergreen Park and Midtown Apartments. This includes information about what is available, an explanation about low-income housing, and links to both St. Lawrence County Community Development Program, and HUD. The website also includes applications for both apartment complexes that are a fillable form and printable.

We've also included an area for tenants to communicate with the office. There is a work order area and there is an area for general questions. This does require a username and password. The format is fairly straight forward to create your username. For the username use the initial of your first name and your last name. For example, using my name. It would be rsantamoor as my username and then my password.

It is our hope that this will help you all to be able to communicate with us without having to step out, especially during these difficult times with COVID.

The web address is:

www.potsdamhousingauthority.com.

Happy Holidays to you all!

Sincerely,

Bob
