

SPRING

Evergreen Newsletter 2021

We encourage everyone to spruce up their patios. Remove or discard unwanted or out of season items and put out plants and flowers to brighten up the area. Flowers may be planted in the space between units or next to the building. Please do not plant in grassy areas, as these have to be mowed. If you're unsure of an area, just check with maintenance first!

Rakes are available at the maintenance garage from 8 am - 4 pm Monday - Friday.

Stop up and sign one out! Rake your leaves into a pile and leave it near the sidewalk. Maintenance will pick up piles on Monday and Friday mornings during the month of April.

Now that the warm Spring air is coming through your windows do you feel the need to get up and move but realize you don't have the space? Here are the signs you should start your spring cleaning, like, immediately:

1. Your front door has more fingerprints than the FBI
2. The dust mites are having an anniversary party under your bed
3. You need a gas mask when you open the refrigerator
4. The kids can't find their toys - in fact, they can't find the toy box
5. You can't turn on the fan without creating a dust storm
6. The remote control has been lost in a sofa crack since the end of football season
7. The piles of magazines may fall over and bury you
8. You introduce your kids as the three little pigs
9. You have a path to the doorway
10. You are ready for when the world goes back to using VCRs and VHS tapes
11. Your every unfinished craft project is proudly displayed under your bed
12. It seems easier to move than to clean the house

Pull out the cleaning supplies and get to work!

Our Annual Spring Clean-Up is just around the corner! This is a great chance to get rid of large household

items but please remember no electronics are allowed in the trash. That means no TVs, no ACs, no computers. If you can plug it in or it runs by a battery, you probably can't throw it out. If you're uncertain, please check with Maintenance.

I wonder just what is the reason
Why spring's such an ornery season.
First it's cold, then it's hot,
Then it's icy, then not —
Makes me ask whether spring is just teasin'.

Spring Dos And Don'ts

DO plant flowers and tend to your gardens.

DO continue to smoke outdoors – it's better for everyone. Please use a metal can to dispose of cigarette butts. You **must** purchase an air purifier if you smoke indoors.

DO clean up your back patio; it's a great space to entertain in or relax. Add potted plants to jazz it up!

DO stop by the garage and use the hose to clean out your waste wheeler.

DO use your patio or indoor space to store your toys and bikes; they cannot be left in the common areas.

DON'T try to make repairs to your apartment. Please put in a work order, especially for heating and/or plumbing issues.

DON'T hang sheets or blankets in place of curtains
If your hot water goes out during the night, **DON'T** call it in until 8 am. This is **not** an emergency.

DON'T put indoor furniture outside.

DON'T leave shopping carts around the apartment complex. The carts are owned by their specific store and taking them off their property is stealing!
