Summer heat getting you down? Remember that at Evergreen Park you are welcome to have your own air conditioner in your apartment from June—September. Here are some helpful reminders:

1. There is an extra charge per air conditioner of \$100 a season. This can be paid as \$25 a month from June to September.
2. Please remember the charge is \$100 regardless of when the air conditioner is put in or how often it is used.
3. All upstairs air conditioners must have the bracket installed by our maintenance crew. Please put in a WO to have one installed.
4. If you have any questions or concerns about your own installation, please put in a WO for maintenance to have a look.
5. All air conditioners must be removed from windows by the end of October. If you require assistance, please place a WO with maintenance.
