Setting Up Scheduled Payments

1. Log in to the portal
2. Click **Go To Payment Center**
3. Select **Schedule a New Payment**
4. Select **Payment Method**
5. Select **Amount to Pay**
6. Select the **Frequency**
7. Select the **Date of the First Payment**

    Note: This is the date that your payment will process. In the event this falls on a banking holiday or weekend and you are paying from a bank account, the payment will process on the next banking business day. If the first payment is indicated to fall on the 30th of the month, each future payment will fall on the last day of the month.

8. Select the **Number of Occurrences**
9. Enter a **Payment Nickname**

    Note: Adding a nickname for this account setup will allow you to easily distinguish this saved account from other saved accounts you may enter.

10. Select **Proceed to Confirmation**
11. Review and Submit Payment
12. Check and acknowledge the two statements
